M. HOLLAND COMPANY

Pride In Plastics Since 1950SM
ISO 9001:2008 Certified

M. Holland Company was founded in 1950 by Marvin Holland. Mr. Holland entered the plastics business soon after World War II. He began compounding materials in the early fifties, primarily polystyrene, polypropylene and acrylic. The distribution business began evolving in the sixties.

M. Holland Canada Company was founded in 2004.

Today, we utilize over 60 warehouse locations, packaging and bulk terminals nationally. We inventory over 80 million pounds in these warehouses and terminals on a daily basis.

MISSION STATEMENT

M. Holland Company will strive at all times for excellence in all its endeavors.

Through pride in our company, we are committed to achieving total customer and supplier satisfaction while delivering premium products with service above and beyond that which is expected.

We shall continue to uphold the principles upon which Marvin Holland founded our company:

**INTEGRITY
 HONESTY
 COMMITMENT
 SERVICE**

We acknowledge that only by helping our customers and suppliers succeed do we succeed ourselves.

WHY M. HOLLAND COMPANY?

1. RELATIONSHIPS

We endeavor to build and nourish strong and lasting relationships based on service, value and trust.

2. EXCELLENCE

Efficiency, critical mass, leading world-scale suppliers and being privately held are baselines for success.

3. SERVICE

This is the essence of what we do. We are able to deliver faster to our customers - on time and on spec - due to our strategically placed inventories, extensive customer service and service-oriented logistics.

4. TRUST AND INTEGRITY

Our good name and dependable word is all that we have and all that we will leave behind.

5. INVENTORY

We believe in having a large, diverse inventory on hand for immediate shipment.
