

## Electrical & Electronics Line Card

We take **electrical & electronics** personally.

The electrical and electronics landscape is constantly changing with innovative technology and new products. And M. Holland has the capacity to power what's next — anticipating and managing evolving market, product and regulatory challenges, both within the U.S. and around the globe.

From Consumer Electronics and Equipment to Ties and Connectors, Lighting and Power to Telecom, we unite deep knowledge with a broad industry network, along with all the regulatory requirements and material and application certifications — helping you plug into the solutions to meet your material needs and generate success. As an authorized distributor of all branded prime resin material, with a dedicated laboratory and team of in-house engineers, we are ready to support your diverse requirements and provide the necessary lab testing and application development — everything you need to achieve industry-leading performance.

To learn more about what M. Holland can do for you, visit [mholland.com](http://mholland.com) or call **+1 800-872-7370**.

# Our Suppliers

## **ADVANSIX**

Aegis®  
Nylon 6, 6/6

## **BASF**

Petra® PET Polyester  
Nypel® Recycled Nylon 6  
Ultramid®  
PPA  
610  
Nylon 6, 66, 66/6  
Ultradur® PBT Polyester  
Ultraform® POM Acetal  
Copolymer  
Ultrason®  
PESU, PPSU, PSU

## **BOREALIS**

Filled Polyolefins  
Borcom™ TPO  
Daplen™ TPO  
Fibremod™  
GF PP  
Polyolefins  
Borstar® PP & PE  
BorPure™ HDPE

## **BRASKEM**

Polypropylene

## **CELANESE**

Copolymer LDPE

## **CHEVRON PHILLIPS**

Marlex®  
Polyethylene HDPE  
HMW, LDPE, LLDPE

## **CHIMEI**

POLYLAC®  
ABS  
MABS  
KIBILAC®  
ASA

## **COVESTRO**

Apec® High Heat PC  
Bayblend®  
PC/ABS  
Makroblend®  
PC/Polyester  
Makrolon® PC  
Desmopan®, Texin® TPU

## **ELASTRON**

TPE  
SEBS, SBS  
TPV

## **INEOS STYROLUTION**

Lustran®, Novodur®,  
Terluran® ABS  
Novodur® ABS High Heat  
Terblend® N, Triax® ABS/PA  
Luran® ASA  
Terlux® MABS

## **INVISTA**

Polypropylene  
Unreinforced Nylon 66

## **KOLON**

KOCETAL®  
POM Acetal Copolymer

## **LYONDELLBASELL**

Polyethylene  
HDPE, HMW, LDPE, LLDPE  
Polypropylene  
Homopolymer  
Impact Copolymer  
Pro-fax®  
Random Copolymer  
Filled TPO & Filled  
Polypropylene  
Dexflex®, Hifax®,  
Hostacom®, Indure™,  
Pro-fax®, Sequel®, Softell®,  
Supol

## **MITSUBISHI**

Iupital® POM  
Acetal Copolymer

## **PLASKOLITE**

OPTIX  
PMMA

## **RADICIGROUP**

TORZEN® PA66

## **TEKNOR APEX**

Chemlon®  
Nylon PA  
PA66  
PA612  
Creamid®  
Semi-Aromatic Polyamide  
Duramid®  
Semi-Aromatic Polyamide-  
High Performance (PPA)

## **M. HOLLAND**

MH Resolute™  
Mtegrity™  
Mtegrity™ Plus
