

U.S. Superfund Excise Tax Recovery Fees Effective July 1, 2022

Listed below are the fees M. Holland will charge to recover the tax.*

Important notes: Tax recovery charges by suppliers may vary for the same products. There are still some charges for substances that have not been clarified by the IRS. In order to implement tax recovery fees by July 1, we simplified the approach and listed only those materials we are certain about. Our list of fees may be expanded when we receive more guidance from the IRS or our suppliers.
